She has created ballet, conditioning, and yoga curriculum specifically geared towards anatomical education, improvement of muscle functions, injury prevention, and mindfulness while dancing. Wadeaa moved to San Diego in 2019, where she has since expanded her love of ballet to a new area and received her PBT Certification. She believes you will learn the most from the teachers that truly love what they are teaching. Wadeaa strives to express her passion for ballet through her teaching in hopes of seeing that same excitement ignite in her students.
