

## Nevaeh Ford/Hip-Hop

Nevaeh Ford has been a dancer with NCAD for almost ten years. She has studied genres of dance like ballet, hip hop, lyrical, and contemporary for most of her life. She attended and graduated NCAD's Pre- Professional program under our directors, Pablo and Cassandra Infante and found her love for hip-hop and contemporary after studying under her mentors, Ashley Lee and Matt Malufau. Growing in hip hop, Nevaeh found a love for pop and lock dancing at a young age. She also found a strong passion for improvisation as well, leading her to become a teacher and choreographer herself. Nevaeh loves choreographing and hopes to give her students the same creative freedom she was given with NCAD.
