

## Julianna Veling Beginning/Level I/Preschool Classes/ Contemporary

Julianna began dancing at the age of 6, and started her training under Pablo and Cassi Infante at the age of 8. She has enjoyed many roles while growing up at NCAD. Her favorites are Clara and Dew Drop in The Nutcracker, and “Alice” from Alice in Wonderland in her final performance with NCAD in 2022. She was invited to New York to participate in the YAGP finals in 2018 and 2019.

Julianna especially enjoys choreographing at NCAD for herself and others on the competition team and was awarded 2nd place in the pre-professional category at the SHAPE choreography festival for her choreography of “Blues” in 2023.

She is currently at Palomar College and continues to train at NCAD.

She is thrilled to be teaching at the studio she grew up in and adores all her dancers.
