

Julianna Veling

Beginning/Level 1/Preschool Classes

Julianna began dancing at the age of 6, and started her training under Pablo and Cassi Infante at the age of 8. She has enjoyed many roles while growing up at NCAD. Her favorites are Clara and Dew Drop in The Nutcracker. She was invited to New York to participate in the YAGP finals in 2018 and 2019.

She is currently in her senior year of high school and continues to train at NCAD.

Julianna enjoys choreographing at NCAD for herself and others on the competition team and looks forward to more opportunities in that area.

She is thrilled to be teaching at the studio she grew up in and adores all her little dancers.
